Police Headquarters,

Dear Commissioner Stewart,

We refer further to our letter of 25<sup>th</sup> January 2013 regarding the possible offences which may have been committed in the Ashby/Slipper matter which was recently before the Federal Court.

In a reference to evidence relied upon we inadvertently used the same link to Fran Kelly's interview on radio national twice.

The attached letter amends the mistake and also adds a link to the Federal Court website so that investigators will have the easy access to the documents relied upon.

Yours Sincerely
