**It's our first Bloody Idiot episode for 2022 and an election is nigh, which, of course, means idiots are strutting their stuff everywhere, making our extremely serious job of finding the most brainless idiot that much harder!**

Contesting the prestigious title this week is Kyle “Crankypants” Sandilands, Prue “Poo” MacSwineSween, accomplished dunderhead Deputy PM Barnaby Joyce and, as usual, Prime Moronister Scott “Psycho” Morrison.

With such a star-studded Idiot line-up, host Dave Donovan has called in ScoMojo expert Michelle Pini to lend a hand in her Idiot debut.
