

Mal Brabbott's little campaign launch

By gee ...

28 January 2013

Mal Brabbott's plan has come to fruition; a world tour to promote his new vision, along with some foundation cream to smooth over some of his blemishes. [Gee reports.](#)

BY THE GRACE OF GOD

my plan has come to fruition,
a world tour to promote my vision
contained in a glossy booklet
found in the office fridge
together with a foundation cream
which might smooth over
some of my blemishes.

THE ROAD WILL BE LONG

and winding and with any luck at all
I shall avoid falling off a cliff.

THE CARDINAL BLESSED

the tour this morning
and offered his advice about avoiding
obstacles along the winding road

as well as the folly of confusing
God and the American Legislative
Exchange Council.

But Cory Bernardi is a friend
like my wife whose dreams have
recently turned into conspiracies.

Being a good sport she has nevertheless
prepared a cheese sandwich for my tour

told me how to use foundation cream
and the right way to approach a woman,
which is to wipe off any crumbs
before shaking her hand.
