IA is about one-third of the way to the 2,000 [subscriber target](#) we need to keep on investigating Australia.

Political commentator and former MP [Denise Allen](#) says that if you are just reading mainstream media, you're only getting the sugarcoated fairy floss.

IF YOU'RE ONLY READING mainstream media, you're only getting half the story.

You must read Independent Australia, because with Independent Australia you're getting the guts of the story.

Mainstream media don't do really solid investigative journalism anymore. They really just skim across the top of the story and tell you what they think you want to know, when in actual fact there is so much more depth to the story — so much more truth to the story....

The mainstream media only gives you what I call the sugarcoated fairy floss. And that's where Independent Australia steps in.
